# ABOUT US

T-KAY investment Ltd is a fully integrated printing and garment company located at KCM former UTC upper parking in Kigali (Rwanda). The company started its operations in 2011 and employs 50 employees. Our main target is to employ 300 to 500 employees in the next 3 to 5 years and the company has the rate distinction of operation since commencement.

We are officially specialized in printing services such as Digital and offset, Large format printing, Promotional items and 3D printing.

In the current process of widespread globalization, we in T-KAY Investment understand that meeting our customer's requirements is essential to the success of our organization. We can say that the years we experienced in the past are significant and it is clearly seen that we have intensively delivered our best performance on customer satisfaction. Since the inception of our company in 2011, we have successfully experienced the highs, lows and we are very much focused to face the new challenges of the millennium.

We understand that change is a fact of life and are always ready to evolve and adapt to different requirements. This has provided us with great flexibility in our operations and ability to respond quickly and efficiently to the changing demands of our valued clients.

With the benefits of COMESA & EAC all under one roof, we have been able and we are now in an ever-changing market environment. In such situation, we firmly believe that "Trust" and "Honesty" is the key element in persuading customers to choose our quality products. We totally accept that "Trust" and "Honesty" can create a "win-win situation" for a long deeper relationship. In addition, we as T-KAY we intensively endeavor environmental awareness for the purpose of preventing from climatic changes and resource depletion.
